Andalucia is a place where you can easily regain your inspiration and strength. The place is valued by artists and nature lovers. The owners of the hotel have lovingly developed the terraced gardens, including a very special tree-house, swings and unique cosy sanctuaries for reading or just relaxing. There is a studio and outside decking space for the practice and meditation. Most meals will be taken in the lounge area or on the sunny terrace. We will include practices and mindful walking around the grounds and in the tree house.
